A Note From Jared Leto About The Yearbooks:

To our dear friends and family.

The good news is the yearbook is looking incredible. The designers are doing an amazing job. Unfortunately, it's a little late as they have hit a couple of snags. We are taking the time needed because we want to make sure that it's absolutely unforgettable.

Our apologies and we appreciate your patience while we give them the time they need to make sure the yearbook turns out amazing!

Don't worry, I'm all over 'em. I want mine too!
